

# Graveyard

Bilmuri

It's crazy when  
The thing you love the most is the detriment  
Let that sink in  
You can think again  
When the hand you wanna hold is a weapon and  
You're nothing but skin

Oh, 'cause I keep digging myself down deeper  
I won't stop 'til I get where you are  
I keep running, I keep running, I keep running

They say I may be making a mistake  
I woulda followed all the way, no matter how far  
I know when you go down all your darkest roads  
I woulda followed all the way to the graveyard  
Oh, 'cause I keep diggin' myself down deeper  
I won't stop 'til I get where you are  
I keep running when both my feet hurt  
I won't stop 'til I get where you are  
Oh, when you go down all your darkest roads  
I woulda followed all the way to the graveyard (No, oh)

You look at me  
With eyes so dark, don't know how you even see  
You push right through me  
It's getting real  
You lock the door, you're drunk at the steering wheel  
And I can't conceal

Oh, 'cause I've been digging myself down deeper  
I won't stop 'til I get where you are  
I keep running, I keep running, I keep running

They say I may be making a mistake  
I woulda followed all the way, no matter how far  
I know when you go down all your darkest roads  
I woulda followed all the way to the graveyard  
Oh, 'cause I keep digging myself down deeper  
I won't stop 'til I get where you are  
I keep running when both my feet hurt  
I won't stop 'til I get where you are  
Oh, when you go down all your darkest roads  
I woulda followed all the way to the graveyard

It's funny how  
The warning signs can feel like they're butterflies

Oh, 'cause I keep digging myself down deeper  
I won't stop 'til I get where you are  
I keep running when both my feet hurt  
I won't stop 'til I get where you are  
Oh, when you go down all your darkest roads  
I woulda followed all the way to the graveyard
