

I don't wanna feel my face tonight
Sick of my eyes stuck on the ground
I want my mind erased tonight
Blurry faces, white laces

'Cause I'm always overthinking
I can't take this life anymore
And I feel my chest keep sinking
I just need to breathe, to breathe

'Cause I can't stop the pain
And you aren't making it any easier
'Cause I just feel the same
And you aren't making it any easier

I want my heart to feel again
I can't get my soul to leave the ground
'Cause I just wanna run away
But I can't run from myself, oh

'Cause I'm always overthinking
I can't take this life anymore
And I feel my chest keep sinking
I just need to breathe

'Cause I can't stop the pain
And you aren't making it any easier
'Cause I just feel the same
And you aren't making it any easier
You aren't making it any easier
You aren't making it any easier
You aren't making it any easier
You aren't making it any easier

Why do I, I keep on holding?
Why do I, I keep on holding?
You aren't making it-

'Cause I can't stop the pain
And you aren't making it any easier
'Cause I just feel the same
And you aren't making it any easier
You aren't making it any easier
You aren't making it any easier
You aren't making it any easier
You aren't making it any easier
