

Overlooked

Bilmuri

Oh-oh
Oh-oh-oh-oh
Oh-oh

You left me
So you could squirm around my memory
You left me
Because I have nothing left

Why do you let them kill me inside?
'Cause I'm not good enough, I'm not good enough
Why do I feel like you left me to die?
'Cause I'm not good enough, I'm not good enough
Was never good enough

Stuck in the darkest, now you're gone
Don't hesitate to fucking live in here alone
No longer I'm moving house

Why do you let them kill me inside?
'Cause I'm not good enough, I'm not good enough
Why do I feel like you left me to die?
You say I'm good enough, ooh

(Oh-oh)
(Oh-oh-oh-oh)
(Oh-oh)

Overlooked, I'm overlooked
They are the attendants of the look skin deep
Overlooked, I'm overlooked
They are the attendants of to what's inside me
Overlooked, I'm overlooked
They are the attendants of the look skin deep
Overlooked, I'm overlooked (Oh-oh-oh-oh)
They are the attendants of to what's inside me
