

SOURDOUGHSTARTER

Bilmuri

I needed to see that look in your eyes
To see your face when you smile
'Cause it's been so long, you've waited so long

Now we're stuck inside each other's arm
And we're waiting for the world to end 'cause we don't care
As long as you're here (As long as you're here)

I'll be waiting for
Waiting for your touch
Yeah, I'll be waiting for
Waiting for your love
And I'll have it now

I love you more than you'll ever know
Back when I only felt numb
When my sun sets, you're the afterglow
Like a dream I never wanna wake up from

And after all this time
You're still the only one I see
And after all this time
You're still the best thing about me

I'll be waiting for
Waiting for your touch
Yeah, I'll be waiting for
Waiting for your love
(And I'll have it now)
I'll be waiting for
Waiting for your touch
Yeah, I'll be waiting for
Waiting for your love
(You were there)
And I'll have it now
