

Avalon

Bing Crosby

Ev'ry morning mem'ries stray
Across the sea where flying fishes play
And as the night is falling
I find that I'm recalling
That blissful all enthralling day

Just be-fore I sailed away
She said the word I longed to hear her say,
I tenderly caressed her
Close to my heart I pressed her
Upon that golden yesterday

I found my love in Avalon
Beside the bay
I left my love in Avalon and sailed away
I dream of her and Avalon
From dusk 'til dawn
And so I think I'll travel on
To Avalon
