

I'm Confessin' (That I Love You)

Bing Crosby

I'm confessing that I love you
Tell me, do you love me too
I'm confessing that I need you
Honest I do

I need you every moment

In your eyes I read such strange things
But your lips deny they're true
Will your answers really change things
Making me blue
I'm afraid someday you're gonna leave me
Saying can't we just be friends
If you go you know you're gonna grieve me
All my life on you depends

Am I guessing that you love me
Dreaming dreams of you in vain
I'm confessing that I love you
Over again

I'm afraid someday you're gonna leave me
Saying can't we still be friends
If you go you know how you're gonna grieve me
All my life on you depends

Am I guessing that you love me
Am I dreaming dreams of you in vain
I'm confessing that I love you
Over again
All over again
