Temptation

Bing Crosby

You came, I was alone I should have known you were temptation You smiled, luring me on My heart was gone, you were temptation

It would be thrilling if you were willling If it can never be, pity me For you were born to be kissed I can't resist You are temptation and I am yours Here is my heart Take it and say we'll never part I'm just a slave, only a slave To you, temptation

For you were born to be kissed I can't resist You are temptation and I am yours Here is my heart Take it and say we'll never part I'm just a slave, only a slave To you, temptation
