

Bata, Kaya Mo!

BINI

Bata bata 'wag matakot sa dilim
Mata nilang dilaw na nakatingin
Bata bata 'wag matakot harapin
Ipakita mo kung ano kayang gawin

Dive in the ocean and take that leap
You'll come and see that it's not that deep
Go take my hand and just jump with me
Ayg kabalaka let's count to three

Ooh, bata ba't ka nangangamba?
Sumabay sa alon 'wag matakot you'll see
Go with the flow you can take it slow
Take your time, keep it light, no pressure, be free

Bata bata 'wag matakot sa dilim
Mata nilang dilaw na nakatingin
Bata bata 'wag matakot harapin
Ipakita mo kung ano kayang gawin

Bata bata 'wag matakot sa dilim
Mata nilang dilaw na nakatingin
Bata bata 'wag matakot harapin
Ipakita mo kung ano kayang gawin

Hard times but don't ever slow down
Stars shine brighter when the sun comes down
No stress, bata, keep your head up
When you fall down south, don't forget to stand up

Pain and pressure make a diamond
Ride the waves like Poseidon
Stay humble, stay grinding
Make the noise, go silent

I'm steppin' on, steppin' on gas
Not lookin' back, I just wanna go fast
Ain't afraid, I know I'm gonna surpass
This time you'll see me, colors contrast

Bata won't you come with me
See your dreams be free
Dili mag disagree
Padayon ta diri kay atoa ni

Bata bata 'wag matakot sa dilim
Mata nilang dilaw na nakatingin
Bata bata 'wag matakot harapin
Ipakita mo kung ano kayang gawin

Bata bata 'wag matakot sa dilim
Mata nilang dilaw na nakatingin
Bata bata 'wag matakot harapin
Ipakita mo kung ano kayang gawin

Bata bata 'wag matakot sa dilim
Mata nilang dilaw na nakatingin

Bata bata 'wag matakot harapin
Ipakita mo kung ano kayang gawin
