

# Blink Twice

BINI

I heard you like confidence  
Well, I've got a lot of it  
So baby, use common sense  
Just don't be anonymous  
I heard that you've been busy, yeah  
I heard it through the grapevine  
Trying my best not to step up on your landmine  
But let's have some fun with it  
'Cause you know I'm runnin' it

Ooh, ooh  
I'm lost inside your world, you got that symphony  
Like da-doo, da-doo, da-doo

If you like me, blink twice  
Are you naughty or nice?  
Maybe add a little spice  
If you're tryna roll the dice (Dice)  
Let me give you some advice  
If you like me, blink twice, oh, oh

Ooh, ooh  
He's not even thinkin' 'bout me  
Ooh, ooh  
Maybe he's just lookin' at me

Got me goin' crazy, baby, no, don't be lazy  
Come over and chase me, yeah, you better amaze me  
I'm at the spot  
Baby, tell me, are you ready or not?  
Don't you leave me waitin'

Ooh, ooh  
I'm lost inside your world, you got that symphony  
Like da-doo, da-doo, da-doo

If you like me, blink twice  
Are you naughty or nice?  
Maybe add a little spice  
If you're tryna roll the dice (Dice)  
Let me give you some advice  
If you like me, blink twice, oh, oh

Ooh, ooh  
He's not even thinkin' 'bout me  
Ooh, ooh  
Maybe he's just lookin' at me

If you, you really like me  
Baby, then just blink twice  
If you, you really like me  
Then you gotta roll the dice

If you like me, blink twice  
Are you naughty or nice?  
Maybe add a little spice  
If you're tryna roll the dice

Let me give you some advice  
If you like me, blink twice, oh, oh

Ooh, ooh  
He's not even thinkin' 'bout me  
Ooh, ooh  
Maybe he's just lookin' at me  
Ooh, ooh  
He's not even thinkin' 'bout me  
Ooh, ooh  
Maybe he's just lookin' at me

Maybe he's just lookin' at me
