

# Born To Win

BINI

Yeah, I felt it, and I've been there through different phases  
I've been feeling like I don't have the power in me  
It took me a few dead-ends to finally understand  
Got to push harder, the failures only made me strong

I used to be so careless, careless  
But now I'm more than fearless, fearless  
Don't stop yourself 'cause the world is ours  
We're made to be broken  
But we won't stop, we won't stop  
So let me hear it, I'm on it

Now every step we take, boundary we break  
There's nothing we can't do, do, do  
When it gets hard to see, just repeat after me  
There's nothing you can't do, do, do  
Nothing can hold us back  
Let's make the moment last  
What you have within won't fade away  
'Cause baby, we were born to win

Listen up, do this, do that  
Just climb up the ladder and give a helping hand  
Sometimes it's harder, then all you need is some time  
It'll take you a few dead-ends to finally understand  
Got to push harder, the failures only make you strong

I used to be so careless, careless  
But now I'm more than fearless, fearless  
Don't stop yourself 'cause the world is ours  
We're made to be broken  
But we won't stop, we won't stop  
So let me hear it, I'm on it

Now every step we take, boundary we break  
There's nothing we can't do, do, do  
When it gets hard to see, just repeat after me  
There's nothing you can't do, do, do  
Nothing can hold us back  
Let's make the moment last  
What you have within won't fade away  
'Cause baby, we were born to win

Now, I have found my confidence, confidence  
There's only one me, yeah  
We were born to live  
Born to make mistakes  
Every boundary we break  
Every step we take  
Together we can go facing anything  
(Listen, baby)

Now every step we take, boundary we break  
There's nothing we can't do, do, do  
When it gets hard to see, just repeat after me  
There's nothing you can't do, do, do  
Nothing can hold us back

Let's make the moment last  
What you have within won't fade away  
'Cause baby, we were born to win  
We were born to win
