

# Cherry On Top

BINI

My presence is a present (Ooh, ooh-yeah-yeah)  
Talkin' French, I'll keep you guessin' (Ooh, ooh-là-là)  
Know you got a little candy crush (Crush)  
Be careful 'cause you'll never get enough (Enough)

Every day  
Celebrate you're with me  
Every day  
It's your birthday on repeat, birthday on repeat-eat, yeah

If you want it sweet, got that sugar on lock  
If you want that spice, I can turn the heat up  
Baby, I'm the cake, better know what you got  
I'm the cherry on top, cherry on top  
Honey, you're a bee, got you buzzin' 'round me  
Sticky, sticky, sweet, frosty as I can be  
Baby, I'm the cake, better know what you got  
I'm the cherry on top, cherry on top

Cherry, cherry, I'm so berry, rainbow, cotton candy  
Glitzy glamour, drippin' drama, oh, I'm just so fancy (Ooh)  
He can't deny, no-no, he can't deny (Uh, uh)  
I'm the cherry on top, cherry on top

I'm a sight for sorry eyes  
One look and you're paralyzed (Uh-huh)  
Dancin' in the disco lights (Yeah, yeah)  
I could do this all my life  
Cinnamon swirl, I twirl (Twirl)  
Not your average girl (Girl)  
Got you clutchin' them pearls (Pearls)  
'Cause you know who run the world

Every day (Every day)  
Celebrate you're with me (You're with me, yeah)  
Every day (Yeah)  
It's your birthday on repeat, birthday on repeat-eat, yeah

If you want it sweet, got that sugar on lock  
If you want that spice, I can turn the heat up  
Baby, I'm the cake, better know what you got

Sticky, sticky, sweet, frosty as I can be (Uh-huh)
