

# Love Yourself

BINI

Attention, c'mon, look at me  
These are things you gotta see

Hey, leave the numbers and measures  
Love your shape, it's precious  
Baby, I believe, never can beat  
Us if we just be, what we gotta be, you'll see

Oh no, don't you ever question that  
Your worth is so much more and that's a fact  
'Wag papatalo sa sinasabi ng iba  
Humingang malalim, buong-loob sabihin

Tara na't ika'y makiisa  
Tignan mo, ang ganda mo kaya  
Buksan lang ang mga mata  
Lo-lo-lo-love yourself  
Basta't tibayan ang loob  
Hindi ka mapapataob, 'lika na  
Just lo-lo-love yourself

C'mon, shake your body, confidently  
And feel it move effortlessly  
Be free to see the beauty of your body  
Two, three, shout it out, say it with me

Stop comparin', we celebratin'  
The life we have with pride and honor, yeah we precious  
More precious than the jewels you could ever find  
You shine brighter, my love (Ang ganda, ganda mo)  
Tall, short, thin, thicc, light, dark hair  
Skin type, color, race, hey, we don't care (Ang ganda, ganda mo)  
Can't be labeled, can't be boxed, we don't belong there  
Gotta be empowered know we got flare

Oh no, don't you ever question that  
Your worth is so much more and that's a fact  
'Wag papatalo sa sinasabi ng iba  
Humingang malalim, buong-loob sabihin

Tara na't ika'y makiisa  
Tignan mo, ang ganda mo kaya  
Buksan lang ang mga mata  
Lo-lo-lo-love yourself  
Basta't tibayan ang loob  
Hindi ka mapapataob, 'lika na  
Just lo-lo-love yourself

Ohh-oh-oh, hindi ka nag-iisa  
'Pag nangangamba  
'Wag kang mag-alala  
Ikaw ay mahalaga

Love yourself  
Love yourself  
Let's go

Tara na't ika'y makiisa  
Tignan mo, ang ganda mo kaya  
Buksan lang ang mga mata  
Lo-lo-lo-love yourself  
Basta't tibayan ang loob  
Hindi ka mapapataob, 'lika na  
Just lo-lo-love yourself

Let me hear you say, B-I-N-I  
Love my body and myself  
I am worthy, I am free  
Don't care what you say, just wanna be me  
Gain all the confidence then lose  
Only what weighs you down  
All they got are standards but we got no limits  
Respect, embrace, accept and love  
BINI! (Real magic)  
Just lo-lo-love yourself
