

# Made For All

**BINI**

It's B-I-N-I  
BINI with Maybelline  
Are you ready for this?  
Here we go

Feelin' like you ain't got it  
Like you don't belong, can't seem to fit in  
Wanna hide, keep overthinkin'  
Gotta have that confidence, girl  
Get up and show the world  
Mag-lipstick, kilay, fonda't mascara  
Maaga man, handa nang rumampa

Open your eyes  
Believe that you can shine bright, oh

Made for you, made for me  
Handa ka ba sa beauty reveal? (Made for all)  
Made for you, made for me  
Face the world, express how you feel

Made for every color, race, shape, height, weight  
No limit to your gender, race and age  
Every shade and hue, have the courage to be you  
No space for hate, it's time to celebrate (ayy)  
Maybe, you're born with it (ayy)  
Maybe, it's Maybelline (yeah)  
Moreno o mestiza, pinay beauty o chinita  
Lahat tayo, may sariling ganda

Open your eyes  
Let 'em sparkle, shine bright  
Ipagmalaki mo sa buong mundo  
Ang ganda na iyong iyo, oh-oh-oh

Made for you, made for me  
Handa ka ba sa beauty reveal? (Made for all)  
Made for you, made for me  
Face the world, express how you feel

'Wag magtago, ipagmalaki mo  
Ang ganda na iyong iyo (made for all)  
'Wag papatalo, beauty, i-flaunt mo  
Bawat araw ay 'yong iyo (made for me)  
Made for you, made for all  
Made for all
