BINI!

I'm feeling like I can't lose
I won't let you get in my away
Over and over, I'll prove
I'm showing no fear, I'm showing no fear
We're here just here to have a good time (Let's go)

I'm high in the clouds
That's a new level, what a good flight (Oh-oh, oh-oh)
No trouble around, we don't stress no one
Just a good time (Oh-oh, ooh-woah)

And I won't let you take me down Or change my mind, I'm looking at better days I will always hold my ground and stand up right I putting on my game face

I'm feeling like I can't lose
I won't let you get in my away
Over and over, I'll prove
I'm showing no fear, I'm showing no fear
We're here just here to have a good time

Ooh-woah, ooh-woah
I'm showing no fear, I'm showing no fear
Ooh-woah, ooh-woah
I'm showing no fear, I'm showing no fear

So don't mind the doubt You can do whatever, as long as you try (Oh-oh, oh-oh) No matter if you're down, get up 'Cause it's alright (Oh-oh, ooh-woah)

And I won't let you take me down
Or change my mind, I'm looking at better days
I will always hold my ground and stand up right
I putting on my game face

I'm feeling like I can't lose
I won't let you get in my away
Over and over, I'll prove
I'm showing no fear, I'm showing no fear
We're here just here to have a good time

Ooh-woah, ooh-woah
I'm showing no fear, I'm showing no fear
Ooh-woah, ooh-woah
I'm showing no fear, I'm showing no fear

Oh, oh-oh-oh, oh-oh-oh, oh-oh-oh I'm showing no fear

Ooh-woah, ooh-woah
I'm showing no fear, I'm showing no fear
Ooh-woah, ooh-woah
I'm showing no fear, I'm showing no fear

I'm showing no fear
