

Pit A Pat

BINI

Pit-a-pat, my heart is saying
There's a fire, you can't contain it
I don't need a boy to save me
Na-na-na-na-na-na

See you watching me from across the room
It's so obvious, I got you nervo-o-ous
See you wondering how to get my attention
Yeah, I'm flattered but it doesn't matter

I might be young, but I know, I know what I want
And it's not love, I'm not, I'm not in a rush
Yeah, I might laugh along, but I'm just being polite
Don't go thinking I'm yours, you're the last thing on my mind

Busy tryna give it my everything 'cause life's not Disney
I don't need a knight in shining armor
So you gotta respect that I got that X factor
Oh, I'm gonna make it rain, yeah, uh, uh, let's go

Pit-a-pat, my heart is saying
There's a fire, you can't contain it
I don't need a boy to save me
Na-na-na-na-na-na
Pit-a-pat, my heart is saying
It's my dream, I gotta chase it
I don't see that ever changing
Na-na-na-na-na-na

Make it happen on my own, gonna be a lonely road
But I gotta buckle up, buckle up for the Grand Prix
And this ain't a simple journey, no way I'm slowing down
Do you really think you're worth it? Baby, in your dreams

Busy tryna give it my everything 'cause life's not Disney
I don't need a knight in shining armor
So you gotta respect that I got that X factor
Oh, I'm gonna make it rain, yeah, uh, uh, let's go

Pit-a-pat, my heart is saying
There's a fire, you can't contain it
I don't need a boy to save me
Na-na-na-na-na-na
Pit-a-pat, my heart is saying
It's my dream, I gotta chase it
I don't see that ever changing
Na-na-na-na-na-na

Pit-a-pat, dapat tapat ka
Kalooban mo'y napakaganda
Sa panahong nadadapa ka
Tumayo't tumakbo at 'wag mag-alala
'Di mo na kailangan maghanap ng iba
Na tutulong sa 'yo kapag walang-wala
Kayang-kaya mo 'yan, 'wag na 'wag aatras
'Di kailangan ng prince charming para maligtas

Hey! 'Wag ka nang kabahan
'Di tayo 'yung mga prisensang 'di kayang lumaban
Aww, pasensiya na
Nakalaan ang oras ko sa mga plano at pangarap
For all the girls out there, we can make this worth it
We ain't gonna back down, we ain't gonna quit
'Di man madali, maniwala sa sarili
Pit-a, patuloy lumaban at ika'y magwawagi

Maybe one day, I'll be down
To let somebody in, even stick around
Could be you I'm leaning on
But right now I'm looking out for number one

Busy tryna give it my everything 'cause life's not Disney
I don't need a knight in shining armor
So you gotta respect that I got that X factor
Oh, I'm gonna make it rain, yeah, uh, uh, let's go

Pit-a-pat, pintig ng puso
Lumiliyab ang damdamin ko
Seryoso 'to, hindi 'to biro
Na-na-na-na-na-na
Pit-a-pat, pintig ng puso
Uunahin ang mga pangarap ko
Ito'y hindi na magbabago
Na-na-na-na-na-na
