Strings

BINI

So delicate (Teka 'wag muna baka mabasag)
These feelings for you (Hey!)
'Wag munang magulo (Nag-uumpisa pa lamang)
Nakikinig ba kayo?
You know you got to listen

Sinabi na dating ginusto ko 'to
Pero bakit nangyari lahat ng ito?
Nagmamadali, nagkakandarapa
Kita mong pabagsak na sa lupa
Pwede ba muna tayo pumara?
Parang 'di ko na ito kaya

Scared to admit but I'm broken
In need to fix this fire
Balancing on this tight rope
About to fall from the sky (Yah, yah, yah, yah)

I'm on strings, don't cut me off (Yah, yah, yah)
No wings, don't let me fall off this now (Yah, yah, yah)
I'm on strings, just hanging on
Gotta, gotta wake up, wake up, get higher (Yah, yah, yah)

I'm really, really trying, but sometimes
I ain't strong inside, can't lie

Minsan kailangan ko ring aminin
'Pag nahihirapan, dapat sabihin
Kaya tara, tara zoom, binibini, bloom
Pero, pero take a break
Baby, if you feel doomed
So love yourself first, before this all hurts
Untie all the knots, believe and you'll make it

Scared to admit but I'm broken

Balancing on this tight rope

Sana naman marinig mo ito
Nahihirapan, naghihingalo
Alam kong kaya pero
Pwede ba munang huminto dito?

I'm on strings, don't cut me off (Yah, yah, yah)
No wings, don't let me fall off this now (Yah, yah, yah, yah)

Aiah, ready, set, position
Stacey, fighting on our own
Maloi, hinding-hindi susuko
Jhoanna, taas noo, titingala
(Gwen, nobody can't stop me)
Colet, this race I can ace
Sheena, no pressure, I'm steady
Mikha, got nothing against me

Tara, tara zoom, binibini, bloom
Pero, pero take a break
Baby, if you feel doomed
So love yourself first, before this all hurts
Untie all the knots, believe and you'll make it
