T-O-P, top, I'll take you to the top
T-O-P, top, I'll take you to the top (Oh)

Ey, what's up? Time is slippin' away (Oh, oh)
'Di mapakali, parang ang haba ng day
When we're together, lumilinaw ang kulay (Oh, oh)
Ang saya-saya ng bonding 'pag ang friends mo ay tunay

Feels like I'm living the dream
It's time to let go, oh
One, two, three, let's go!

Buckle up (Hey), I'll take you to the top (Ooh)
Tara na, abutin ang lahat ng pangarap mo
Round and round (Hey), I'll take you to the top (Ooh)

Basta't kasama kayo, tayo hanggang dulo

T-O-P, top, I'll take you to the top
T-O-P, top, I'll take you to the top

Tara na, let's go
'Lika na, sama-sama tayong tatakbo
Got your back, mapa-rain or shine
Huwag ka nang mag-alala, we'll be just fine
Sabay-sabay, walang mauuna (Ey)
It's the weekend, mag-ice cream ka na muna
What's up 'til makarating tayo (Hey, hey, hey)
Tip to top, tayo hanggang dulo

Feels like I'm living the dream
It's time to let go, oh
One, two, three, let's go!

Buckle up (Hey), I'll take you to the top (Ooh)
Tara na, abutin ang lahat ng pangarap mo
Round and round (Hey), I'll take you to the top (Ooh)
Basta't kasama kayo, tayo hanggang dulo

T-O-P, top (Hey), I'll take you to the top
T-O-P, top (Hey), I'll take you to the top (Let's take it to the top)
