

Firecracker

binki

Before you know it
So ferocious
4am
Pulling focused
Firecrackers slow motion
Through my [?] fair warning
I see out, I see roads
I see [?] before you go
Don't look back at the explosion
Demolition Trojan horses

Red rover
Come on over
Fast asleep when I pass over
Up to now I'd like to fast forward
Up and down like roller coasters

Sort of open
Sort of closing
Sort of halfway before your fall
Hold your breath until it's purple
Circle back like a rehearsal

She's not undone
I won-wonder when
She's not undone
I wonder when
She's not undone
I won-wonder when
She's not undone
I wonder when

A bubble bath rolling
[?] I'm not a risk you can afford
I'm burn in bushes cold and hot
Another [?] a spa
I wanna pass for someone else
I'm not a [?] I'm just lost
I got a history
I'm not listening

She's not undone
I won-wonder when
She's not undone
I wonder when
She's not undone
I won-wonder when
She's not undone
I wonder when
