It's everything I want, now maybe
Can we do it again?
If you're done then I'll fake it
Double up, I'll raise it

Your blessing's, all I ever wanted

I'm stressed, you got me feelin' nauseous
I'm stressed, you got me feelin' nauseous (He's stressed)
I'm stressed, I'm stressed

But hey, hey, hey lady (Yeah)
You put me on the line like linen (Let me out, ah)
So I just wanna cry like lizards (Waa, waa)
See, I thought I had a chance
But I guess not
