

Origami

binki

You could be good lookin' for a livin'
You could wear me out like I'm [?] shoes
You drive like an F1
Could've been an astronaut, could've been like Armstrong

Draw my own conclusion that's a given
Taken out of pocket like [?]
You should be in my arms
You should be in my arms

Tell me where are you now
Tell me where are you now
Tell me
Tell me
Tell me where are you now

You can have it
In the palm of your hand
Origami
I'll fold up like a crane

You can have it
In the palm of your hand
Origami
I'll fold up
I'll fold up
I'll fold up

Tell me where are you now
Tell me where are you now
Tell me
Tell me
Tell me where are you now

I still can't forget how it all felt
I still got the clues on neck
I don't want it lukewarm
I am [?]
Baby don't go
Baby don't go, [?]
Wanna find out if it burns my hand
When I hit go we can ditch our plans
Parallel park let me guide you in

Tell me where are you now
Tell me where are you now
Tell me
Tell me
Tell me where are you now

You can have it
In the palm of your hand
Origami
I'll fold up like a crane

You can have it
In the palm of your hand

Origami

I'll fold up

I'll fold up

I'll fold up

Tell me where are you now

Tell me where are you now

Tell me

Tell me

Tell me where are you now
