

So Good, So Far

binki

You know how I feel
Gonna say the same, tell me that it's real
Started feeling something
Something isn't right
Baby what's the, wait
Baby what's the deal
Someone on the side, told me make the pill
Couldn't see it coming
Look me in my eyes
Baby what's the

So good, so far
Keep on saying
So good, so far
So far
So good, so far
Keep on saying
So good, so far
So far

Pushing me away
Push me to the side
Hanging by the string
Cut off all the ties
Called me by my name
Tell me what it's like

Put me in the game coach
I can break the tide
I don't want the ring baby
I just want tonight
I just wanna fling baby
I just wanna fight, fight

Or should I [?]
Put it on black, put it on red
Either way I'm making my bet
Either way I'm making my bet
Maybe it was something I said
Take it all back, put it on red
Either way I'm making my bet
Either way I'm making my bet

So good, so far
Keep on saying
So good, so far
So far
So good, so far
Keep on saying
So good, so far
So far

So good, so far
Keep on saying
So good, so far
So far
So good, so far

Keep on saying
So good, so far
So far
