So this is what you mean  
And this is how you feel  
So this is how you see  
And this is how you breathe  
Sometimes  
I know  
Sometimes  
I go down deep  
Oh

So this is what you mean  
And this is how you feel  
So this how you see  
And this is how you breathe

Sometimes  
I know  
Sometimes  
I go down deep  
Oh

Beneath the deep blue sea  
Touching every breath  
All a slight off hand  
For everything you left

Sometimes  
I know  
Sometimes  
I go down deep  
Oh

Sometimes  
I give myself for you  
Sometimes  
I know down deep
