

# Rock On

## Bionic Jive

This is the response after the passing of a dark storm  
And exhales from 5 headed dragons  
Swinging temperature to bring fright to Fahrenheit  
Can I hit your hold dog pile and leave with a razor blade smile?

I can hit yo' dog pile leave with a razor blade smile  
In the meanwhile, bow to the profile  
Heat and thunder storms up in exile in a crowd  
Can I hit the stage and make 'em get buck wild?

Yes, you can hit the stage and make 'em get buck wild  
Too late to duck now so brace up, head stones raise up  
Need money now 'cause pockets got space to take up  
Wake up underwater with cement shoes and neck bruise

Can Bionic Jive kick it? Yes, we can  
Can we make triple digits? Yes, we can  
Can we make the others quit? Yes, we can  
Can we show them how we did it? Like this, y'all

From city to city, block to block  
Come on, rock on, rock on  
(Rock on, rock on)  
From corner to corner, hood to hood  
What we gonna do? Turn it on, turn it on  
(We gon')

From city to city, block to block  
Come on, rock on, rock on  
(Rock on, rock on)  
From corner to corner, hood to hood  
What we gonna do? Turn it on, turn it on, break  
(We gon')

Yo we popping this, rocking this, dropping this  
In yo metropolis, no stopping this, in a hood near you  
They copping this, give me the keys because we locking this  
Do we ever miss? No, we never miss

In fact, stand back to back, let the double barrel crack  
Your heart no longer pity pat, when I enter your chest  
And exit your back, emerge, can you make them  
Respond and break them off like that?

Like this, like that, like this, like that  
We verbally gravitate them verbatim on tracks  
Like that, like this, like that, like this  
We mentally mash matter make metaphors mix

Can Bionic Jive kick it? Yes, we can  
Can we make triple digits? Yes, we can  
Can we make the others quit? Yes, we can  
Can we show them how we did it? Like this, y'all

I bang on 'em, hang on 'em  
I rip it to death and leave people pressed  
The way I throw them things on 'em  
I bang on 'em, hang on 'em  
I rip it to death and leave people pressed  
The way I throw them things on 'em

I bang on 'em, hang on 'em  
I rip it to death and leave people pressed
