## Biosphere

Here in this desert  
It's just the same thing  
Over and over again

Here in this desert  
It's just the same thing  
Over and over again

Black Mesa... how intriguing  
My plans have been uncertain  
I had a vague idea I'd like to see the Pacific Ocean  
Perhaps drown in it  
But that depends

Here in this desert  
It's just the same thing  
Over and over again

I suppose I was looking for something to believe in  
Worth living for and dying for  
And I've come this far on my journey  
Black Mesa...

Here in this desert  
It's just the same thing  
Over and over again
