

Eh-yeah-yeah-yeah
Eh-yeah-yeah-yeah

The pain in it was all you
And you were on and deep in I saw you
But you didn't [?]
When I saw you, saw you, saw you
Oh, you, you, you
I thought you knew

Don't really know it too well
I can tell, I can tell
Still kinda shy [?]
Still kinda shy [?]
Don't really know it too well
And I can tell, I can tell
[?] try and always bend if you can
[?] saying

Discovering you
Discovering you, Discovering you
Discovering
Discovering you
Discovering you, Discovering you

I'll be discovering you for the first time
Like it's cyanide straight, yeah
First one's [?] yeah
Madness was madness, I was this sadness
Brain was [?] flipping the mattress

Head was so wild [?]
Brain was so [?]
Heart was so cold
And I was on my knees
Praying to you
I say it for you
Praying to you
I'll stay in for you

Discovering you
Discovering you, Discovering you
Discovering
Discovering you
Discovering you, Discovering you

A little tears for a girl
I'm calling little tears for a
I'm calling little tears for a girl
For the first and the last time, first and the last time

Discovering you
Discovering you, Discovering you
Discovery
Discovering you
Discovering you, Discovering you

My routine with my smile on
Face looking like [?]
Black and beautiful that's the sum
Home again, the only one
Never thought that I would change
For no one and go insane
They couldn't tell me no but fine
I didn't understand the crime

You
Discovering you, Discovering you
Discovering
You
Discovering you, Discovering you
