

love inside

Bipolar Sunshine

You have to find the love inside of you

Every single time I'm thinking about your love
I just can't stop thinking
Can't stop thinking

I just really wanna let you know, let you know, let you know, let you know
That you're a natural, natural, natural, natural

That's why you've got to find the love inside of you
It's waiting, it's waiting
You've got to find the love inside of you
It's waiting, it's waiting

Tell me how, tell me how do you feelin'
Have we maxed out, have we hit the ceiling?
In the distance, you wanted healing
Can't get to the fruit without peeling
Let me know, let me know
Should I stay, or should I go?
Don't matter what you do
You can't love new
If you can't love you

That's why you've got to find the love inside of you
It's waiting, it's waiting
You've got to find the love inside of you
It's waiting, it's waiting

Every single time I'm thinking about your love
I just can't stop thinking
Can't stop thinking
Every single time I'm thinking about your love
I just can't stop thinking
Can't stop thinking

That's why you've got to find the love inside of you
It's waiting, it's waiting
You've got to find the love inside of you
It's waiting, it's waiting
