Lotta tears by the sea out in Mexico  
Love da trees like Leon the professional  
When I see it, I'd believe, Imma let it go  
O-oh o-oh

Run for the fire  
I'm caught in a freeze  
Trying to aspire  
Rain on my enemies  
Here to cause a reaction  
Didn't know the facts and  
Oh we love some action  
So we can't relax, relax

Lotta tears by the sea out in Mexico  
Love da trees like Leon the professional  
When I see it, I'd believe, Imma let it go  
O-oh o-oh

Seems to be they're trying pin one on me  
Build a wall, c'mon, I'm diggin' from underneath  
Yeah the streets Minaj there can't be harmony  
I cannot let, I cannot let, I cannot let it

Sandals or Margiela, Margiela, Margiela  
We chopping that Pinatas, Pinatas, Pinatas  
So hands up to the ceiling, I vanish like Houdini  
Like the king of Kundalini I'm addicted to the feeling

O-oh o-oh
