

Gone!

Birdeatsbaby

Now you're gone it's not so funny anymore We took your name and
dragged it all across the floor To say that you did not deserve
it isn't true But just to clear up this confusion we hate you

To say that this was your idea is simply mad You can't take credit
for what you have never had I'm sorry if you feel that you
were underpaid It's time you went to lie in that bed that you made

Happy Girly, Get up early Paint my face my hair is curly No-one
likes a sour surly Suck on that now WATCH the birdie Eat until
your eyes fall out now no-one notices your pout I know that you
can do without You're truly

Gone! Again and everybody wonders why They claim your body part
and trample on your pride I know one day you will remember who
we were For now you'll runaway to be a...

Happy Girly, Get up early Paint my face my hair is curly No-one
likes a sour surly Suck on that now WATCH the birdie Eat until
your eyes fall out now no-one notices your pout I know that you
can do without You're truly

Gone, Don't say that I'm the one to blame I'll shut you up before
you dare blacken my name I hope I never see your face again
I hope you're nearly and sincerely now you're truly now you're
really Gone.
