Birdman

Rich Gang!  
Yeah, yeah, yeah  
Stunnaman  
Ms. Gladys  
Back outchea on my bullshit, nigga  
Uptown, third ward  
Real five star G  
Where I'm from, nigga, it's respek, there's disrespek  
Then there's total disrespek and it's fuck everybody  
You dig what I'm sayin'? Let's get it  
I ain't gon' say it no more, nigga, BLAT!

Put some respek when you mention my name  
You talk about killers, but you ain't no killer  
Pull up on you, it's game time, nigga  
Front line, you make headline, niggas  
Say my name, get it right  
Whip it right, private flights  
Every night she keep it tight  
Choppas all at that red light  
Heard stories 'bout a nigga  
Keep it real with yourself  
Hatin' on a real nigga  
Really bad for your health

Mama left and they sent me  
She never seen me in it  
I was born to be with it  
Came in and she feel it  
Came in and we winnin'  
Left out and we did it  
Let 'em know that we with it  
They all said that we did it  
Niggas know we the business  
Put it down from the sand  
Baller life we livin'  
Cluster diamond my hand  
Diamond cross in that sand  
Diamond price on that man  
Gucci stripe on that van  
Knock him off for that clan

Put some respek when you mention my name  
You talk about killers, but you ain't no killer  
Pull up on you, it's game time, nigga  
Front line, you make headline, niggas  
Say my name, get it right  
Whip it right, private flights  
Every night she keep it tight  
Choppas all at that red light  
Heard stories 'bout a nigga  
Keep it real with yourself  
Hatin' on a real nigga  
Really bad for your health

Takin' shit just for granted  
Pullin' up just a habit

Loud talk, you get madness  
Loud pipes and we mashin'  
Stunnaman live lavish  
Doin' shit, we the baddest  
Alexander my bitch  
Cause every day we Bally  
Third Ward like my daddy  
Rag tops on that Caddy  
Big money on shine  
Stay fly with the fashion  
Niggas know that we packin'  
Every time that we mackin'  
Uptown hot boy  
Stuntin', never no lackin'
