Hello?

Yeah...

Yeah what's the problem.

Listen we went through this 100 times already, I don't want to hear it.

I don't care if the guy's in your family or not.

You brought him along that doesn't matter, I don't care.

He's not doing the right thing he's a liability get rid of him. I don't want to here it.

I told you how I want it done, and that's the way it's going to be done.

Just finish it up the way it's supposed to be done.

I don't care about what he says, I don't care about nothing! Just do it the way it's supposed to be done.

The way the plan was set, nothing else.

Clean it up, I don't want to hear about it just clean it, get r id of it.

Wash it out.

I don't care.

Do what you got to do.
