

Counting all different ideas, drifting away,  
Past and present they don't matter  
Now the future's sorted out.  
Watch her moving in elliptical patterns;  
Think it's not what you say;  
What you say is way too complicated.  
For a minute, though, I couldn't tell how to fall out.

It's twenty seconds till the last call,  
Callin' hey hey hey hey hey  
Lie down you know it's easy,  
Like we did it through summer long.

And I'll be anything you ask and more,  
Going hey, hey, hey, hey,  
It's not a miracle we needed,  
No I wouldn't let you think so.

Fold it, fold it, fold it, fold it...  
Fold it, fold it, fold it, fold it.

Girlfriend, oh your girlfriend's drifting away,  
Past and present, 1855-1901.  
Watch them built up a material tower  
Think it's not gonna stay anyway  
I think it's overrated  
For a minute, though, I couldn't tell how to fall out.

It's twenty seconds till the last call,  
Callin' hey hey hey hey hey  
Lie down you know it's easy,  
Like we did it through summer long.

And I'll be anything you ask and more,  
Going hey, hey, hey, hey,  
It's not a miracle we needed,  
No I wouldn't let you think so.

Fold it, fold it, fold it, fold it...  
Fold it, fold it, fold it, fold it.

Fold it, fold it, fold it, fold it...  
Fold it, fold it, fold it, fold it...  
Fold it, fold it, fold it, fold it...  
Fold it, fold it, fold it, fold it.
