Beating Heart

Birdy

There's a beating in your heart
That takes you everywhere
Will take you anywhere
You've been reaching in the dark
Like there's no one there
You think there's no one there

You've been trying too hard trying to start
It takes time, don't lose yourself
Don't keep fighting your heart, stay as you are
Don't change for anyone else

Say, it's too wrong, lay it all on me
You don't have to be
Afraid of what you think you're not, you'll see
Say, it's wrong, let the words run free
I know what you mean
And you'll find someone who loves you just as much as me

There's a beating in your heart
That takes you everywhere
Take you anywhere
You're afraid of coming last
You see it everywhere
You think you'd never get there

You've been trying too hard, trying to start
It takes time, don't lose yourself
Don't keep fighting your heart, stay as you are
Don't change for anyone else

Say, it's too wrong, lay it all on me
You don't have to be
Afraid of what you think you're not, you'll see
Say, it's wrong, let the words run free
I know what you mean
And you'll find someone who loves you just as much as me

Lay your head on my knees
You can confide in me
Close your eyes and be free

Say, it's too wrong, lay it all on me
You don't have to be
Afraid of what you think you're not, you'll see
Say, it's wrong, let the words run free
I know what you mean
And you'll find someone who loves you just as much as me
