I can be strong when I want to be, You think IDm weak Dcause you can tear me apart with the words that you speak

You think you□re in control,
But you don□t understand how much you□re wrong
You choose to lash out at me, I□ve done nothing wrong
All you crave is attention, and just to belong,
You need to belong

And I want to be free where my heart is made from gold And forgiveness seems too bold,
As to find it in my heart
Say, OI love youO when my heart is made from gold
And the hunt is just too cold
As youOll find it in my heart
To say, OI love youO

Is there not enough to use your love for me to get past the things because you envy and hate
And the fires that they breathe
Say, DI looked on the smallD
CanDt understand why you donDt have it all
But you donDt know how to fight for your believe in your aims,
I just wanna do right by you, forget what has changed
DCause nothing is changed

And I want to be free where my heart is made from gold And forgiveness seems too bold,
As to find it in my heart
Say,  $\Box$ I love you $\Box$  when my heart is made from gold
And the hunt is just too cold
As you $\Box$ Il find it in my heart
To say,  $\Box$ I love you $\Box$ 

For you have to be so mean,
YouDre such a drama queen
The way you play on every weakness that you see in me
To make you strong, knew all along
So donDt pretend like you can hardly breathe,
Like itDs down to me,
DCause itDs so unfair that you canDt see that youDre so wrong
WeDre still so young

And I want to be free, where is made from gold And forgiveness seems too bold, As to find it in my heart
Say,  $\Box$ I love you $\Box$  when my heart is made from gold And the hunt is just too cold
As you $\Box$ I find it in my heart
To say,  $\Box$ I love you $\Box$
