Cheer

Bishop Briggs

When I lay my head, dreaming in my bed
I will fly away to my favorite holiday

Green ribbon in my hair
Laughter in the air
Snow falling down

If Christmas time is once a year
Then all I wanna do is spread some cheer
Spread some cheer
The blissful winter wonderland

Stars twinkle bright, my tinsel for the night
Leave cookies at your door, there's always room for more

Red ribbon in my hair
Laughter in the air
Snow falling down

If Christmas time is once a year
Then all I wanna do is spread some cheer
Spread some cheer
The blissful winter wonderland

Oh-oh-oh-oh, oh-oh-oh-oh
Oh-oh-oh-oh, oh-oh-oh-oh

(It's only once a year)
If Christmas time is once a year
Then all I wanna do is spread some cheer
Spread some cheer
The blissful winter wonderland

Oh-oh-oh-oh, oh-oh-oh-oh

Oh-oh-oh-oh, oh-oh-oh-oh
