

Growing Pains

Bishop Briggs

I've been feeling something pulling at my skin
I've been feeling restless lately
Maybe you could say I'm changing
And my mind's aching
Wrestling with what I've been facing
My mama said one day I'd know it
We never really finishing growing
I can see it all so clearly now

When my heart's breaking and my voice shaking
I won't be afraid
On and on I go
Even when I know
That it hurts so much to change
But that's just growing pains

Finally I see I can thank that younger me
She really did a lot of hurting
So I could do a lot of learning
Looking back I'm
Grateful that I made it through
I've come to realize that growing up
Is ninety-nine percent, the showing up
I can see it all so clearly now

When my heart's breaking and my voice shaking
I won't be afraid
On and on I go
Even when I know
That it hurts so much to change
But that's just growing pains
That's just growing pains
That's just growing pains

When my heart's breaking and my voice shaking
I won't be afraid
On and on I go
Even when I know
That it hurts so much to change
But that's just growing pains
That's just growing pains
That's just growing pains
