

Hallowed Ground

Bishop Briggs

My soul can't be sold
Shake me cold, shake me cold
That's hallowed ground
That's hallowed ground

My spirit never told
Break my bone, break my bone
That's hallowed ground
That's hallowed ground

That's hallowed ground, yeah yeah
That's hallowed ground
That's hallowed ground, yeah yeah
That's hallowed ground

Do your dirt, make your mark
My heart is a church of scars
That's hallowed ground

Break my skin, crack my skull
My holy land still grows
That's hallowed ground

That's hallowed ground, yeah yeah
That's hallowed ground
That's hallowed ground, yeah yeah
That's hallowed ground

Nothing's sacred, if it's wasted
We'll be safer, buried it alive
But I still taste it
Hate but this won't turn me blind
Won't turn me blind
That's hallowed ground
That's hallowed ground

That's hallowed ground, yeah yeah
That's hallowed ground
That's hallowed ground, yeah yeah
That's hallowed ground
