

Hocus Pocus

Bishop Briggs

Trying flailing failing
Trying
Potions burn and
Brooms are flying

Muddled heavy messy puddles
I'm confused or worse befuddled

Magic's failing
Losing focus
Like I'm plagued
Swarms of locusts

Is it Pocus Hocus?
Or Hocus Pocus?

Hocus Pocus
Pocus Hocus
Say the spell
Show me where hope is

I'm so over feeling hopeless
God I hope that no one notices
Can they tell I'm faking poses?
Life is not a bed of roses

First I'm gasping
Then I'm choking
There's that voice again
It's closing in
I won't let it win

Even though
My magic's failing
Losing focus
Like I'm plagued
Swarms of locusts

Is it Pocus Hocus?
Or Hocus Pocus?
Even though my magic's failing
Like I'm plagued swarms of locusts
Hocus Pocus
Hocus Pocus

Hocus Pocus
Pocus Hocus
Say the spell show me where hope is
