

I STILL LOVE YOU

Bishop Briggs

Harder than the silence
Hard to see you with someone else, you still smilin'
Hard to say I'm breakin' up with you, it's perfect timin'
Hard to see you in a better place than I'm in
I guess you win

You know it gets hard sometimes
I'm lookin' at the floor 'cause I can't meet your eyes
I know it gets hard sometimes
'Cause right now fightin' feels better than goodbyes
Don't say what I need you to say
I still lo-o-o-o-ove you
I still lo-o-o-o-ove you

I guess I have to let it go, I have to let it go
Undo fallin' for you
I knew I had to let it go, I had to let it go
What am I holdin' on to?
But it's too late to backtrack
But I knew that from way back
When I look in my own head
And I put that on playback
I knew I had to let it go, I had to let it go
I had to let go of you
