

# Mercy

Bishop Briggs

You lay me down on a bed of nails  
Just to pierce a thousand veins  
Hands so numb didn't feel the shame  
Lonely souls they love the pain

So let it run, let it all fall away  
You don't give a damn if I leave or I stay  
Have mercy  
Darling have mercy

Have mercy  
Cause I ain't strong  
Have mercy  
When the love's gone  
Oh, when the love's gone, when the love's gone  
Have mercy, oh, have mercy  
When the love's gone

The fall out know it never clear  
Messiah for a hundred years  
Swing me low, darling, drag me down  
Draw my blood with a stolen crown

And let it run, let it all fall away  
You don't give a damn if I leave or I stay  
Have mercy  
Darling have mercy

Have mercy  
Cause I ain't strong  
Have mercy  
When the love's gone  
Oh, when the love's gone, when the love's gone  
Have mercy, oh have mercy

And let me run, let my heart get away  
You don't give a damn if I leave or I stay  
Have mercy  
Darling have mercy

Oh, have mercy  
Cause I ain't strong  
Darling, have mercy, when the love's gone  
Oh, when the love's gone, when the love's gone  
Have mercy, oh, have mercy  
When the love's gone
