

MY SHINE

Bishop Briggs

Got me all messed up
But you're the one who messed up
I think it's pretty messed up
Shouldn't be a question
I gave you the best of me

Said that you were so down
So why the fuck am I feeling so down?
Got high as hell
Couldn't slow down my mind
You're on it all the time
Fine

Hated that you smoked but I lit cigarettes for you
Told me I was crazy until I believed it too
But it's all lies
I can believe anything
I can fly high
I can dream up any dream
I can say bye
Leave behind everything and keep what you took from me

Yeah that's my shine
Yeah that's my precious little golden light
Not yours it's mine
Yeah that's my shine
Yeah that's my precious little golden light
Not yours it's mine
Yeah that's my shine

Say you wanna talk more but every time we talk more
It's feeling like you keep score
All good right?
Cause you'll love me for a century
Mad when other people put me down
Said you wouldn't ever let me down
But we're swimming in the deep end now
And you let me drown

Hated that you drank but I bought bottles just for you
Told me I was crazy until I believed it too
But it's all lies
I can believe anything
I can fly high
I can dream up any dream
I can say bye
Leave behind everything and keep what you took from me

Yeah that's my shine
Yeah that's my precious little golden light
Not yours it's mine
Yeah that's my shine
Yeah that's my precious little golden light
Not yours it's mine

God forbid I make cool shit
God forbid I got more cash

God forbid I'm independent
God forbid I talk like that
God forbid I make cool shit
God forbid I got more cash than you
God forbid I'm independent
God forbid I talk like that to you

Yeah that's my shine
Yeah that's my precious little golden light
Not yours it's mine
Yeah that's my shine
Yeah that's my precious little golden light
Not yours it's mine

Yeah that's my shine
(Ooh-ooh-ooh-ooh)
(Ooh-ooh-ooh-ooh)
Yeah that's my shine
