Like a river Shut your mouth and run me like a river How do you fall in love? Harder than a bullet could hit you How do we fall apart? Faster than a hair pin trigger Don't you say, don't you say it, don't say Don't you say it, one breath and it'll just break it So shut your mouth and run me like a river Shut your mouth Baby, stand and deliver Holy hands oh they make me a sinner Like a river Like a river Shut your mouth and run me like a river Choke this love till the veins start to shiver One last breath till the tears start to wither Like a river Like a river Shut your mouth and run me like a river Tales of an endless heart Cursed is the fool who's willing Can't change the way we are One kiss away from killing Don't you say, don't you say it Don't say, don't you say it One breath it'll just break it So shut your mouth and run me like a river Shut your mouth Baby, stand and deliver Holy hands oh they make me a sinner Like a river Like a river Shut your mouth and run me like a river Choke this love till the veins start to shiver One last breath till the tears start to wither Like a river Like a river Shut your mouth and run me like a river Like a river

Shut your mouth and run me like a river

Hey! Ooh oh oh Hey! Ooh oh oh Like a river! Hey! Ooh oh oh Ooh oh oh Like a river!

Shut your mouth
Baby, stand and deliver
Holy hands, oh they make me a sinner
Like a river
Like a river
Shut your mouth and run me like a river
Choke this love till the veins start to shiver
One last breath till the tears start to wither
Like a river
Like a river
Shut your mouth and run me like a river
