

Everything Is Kosher

Biskwiq

Let's give a quick shoutout to Christina Applegate

Yeah bottles on me, long as someone drink it
Never drop the ball, fuck are y'all thinking?
Making sure the Young Money ship is never sinking
About to set it off in this bitch: Jada Pinkett
I shouldn't have drove, tell me how I'm getting home
You too fine to be laying down in bed alone
I could teach you how to speak my language, Rosetta Stone
I swear this life is like the sweetest thing I've ever known
About to go thriller, Mike Jackson on these niggas
All I need's a fucking red jacket with some zippers
Super good smidoke, a package of the Swisher's
I did it overnight, it couldn't happen any quicker
"Y'all know them? Well, fuck it, me either"
But point the biggest skeptic out, I'll make him a believer
It wouldn't be the first time I done it, throwing hundreds
When I should be throwing ones, bitch, I run it

And I swear I got this shit that make these bitches go insane
So they tell me that they love me
I know better than that, it's just game
It's just what comes with the fame
And I'm ready for that, I'm just saying
But I really can't complain, everything is kosher
Two thumbs up, Ebert and Roeper
I really can't see the end getting any closer
But I'll probably still be the man when everything is over
So I'm riding through the city with my high beams on
Can you see me? Can you see me? Get your Visine on
Y'all just do not fit the picture: turn your widescreen on
If you thinking I'mma quit before I die, dream on
Man they treat me like a legend, am I really this cold?
I'm really too young to be feeling this old
It's about time you admit it, who you kidding?
Man nobody's ever done it like I did it, uh
Young Money

This what imma do till it's over
But it's far from over

You gotta eat the lettuce
It's-... right
You just straight up eat the lettuce
