

## Where's My Happiness

**Bitch Alert**

Jesus would like to ride my bike  
Jesus would like to ride my bike  
Nobody loves my kind  
But jesus would like to steal my bike

Chorus:  
Where's my happiness?

Jesus would like to ride my bike  
Jesus would like to ride my bike  
Nobody loves my kind  
But jesus would like to steal my bike

Chorus:  
Where's my happiness?

I sold my soul to jesus only for five dollars  
I sold my soul to jesus only for five dollars

But ..

Chorus:  
..Where's my happiness?
