Biz Markie

Yo, dis is one of the, dis dis  
Yo dis is that, that's that joint  
Yo that's the.. that's that joint  
Yo this is another one from the, y'know  
You know who it's from! WHAT?!  
Oh, now you don't know who it's from now right?  
Okay, now I'ma just tell you  
You know this is from the diabolical energetical  
poetical numerical new lyrical man, B-I-Z  
Emmezah-emmezah-A-R-K-I-E  
Best on the scene, man appointed rap king in effect  
If you EVER try to disrespect the Biz Markie  
Disability checks you collect, BUT ANYWAY!  
I'm just bringin you you somethin  
A new, a new a little somethin  
Because you remember me from y'know, "The Biz Mark, Biz Mark"  
And from the [beatboxing] and all that mess  
And you know all the other stuff from like, "Make the Music.."  
But yo, but I'd like to dedicate this to, my best friend TJ Swan  
My cuz-n, my cousin Cutmaster Cool V  
My man, my man, and my man, DJ Marley Marl  
Cause we in the studio doin this, this is for my NEW DANCE  
So check it out, everybody ready  
I think he's ready to get, I-ah-I  
I-I just think he's read', I think I'm ready to get hype

I'm the Diabolical, Biz Markie  
From "Pickin' Boogers," the "Vapors" - "Make the Music" you see  
But now I'm bringin to you for your enjoyment  
It's an animated dance for my employment  
You might remember him from Saturday afternoon  
He was my favorite character on any cartoon  
But when you do the dance, you can't stay kaput  
EVERYBODY GET UP.. and do the Mudd Foot  
C'MON! Get up and do the Mudd Foot  
C'mon, yo yo, yo c'mon and do the MUDD Foot  
"Hey hey," yo hey, yo, do the MUDD Foot

Now bust this out  
I'm not even gonna get into no rhymin  
I just want everybody to listen to the funky beat  
While my DJ Cutmaster Cool V, cut up what the name of this dance is

You know, I can't really do all that stuff  
You know I'm not into that cuttin, but  
I want everybody to the dance, let me show you  
You see, you gotta act like you crippled  
Like you just got one leg, and you know you just gotta just  
You gotta just, ge-ge-ge-ge-just gotta relax  
and just, let the music take over your body and just chill  
Cause this is the Diabolical B-I-Z, Emmezah-A-Rrrah  
You know me from, "The Biz Mark, Biz Mark"

I already said that already, but it don't even MATTER  
Bring the bassline back in, now bust this out  
I'm just talkin about, this is gon' be the new thing to take over  
The next century, cause it's gettin ready to be the 90's  
And I want this to be one of the hottest dances comin out  
It's called the "Mudd Foot"  
You know, you you can't do "The Butt" off this music  
You can't do "The Wop," can't do nuttin else off it  
Can't do the "Michael Jackson"  
Only thing you can do off this music is the "Mudd Foot"  
Can't be doin that "Arsenio Hall"  
I don't know I don't know how he do that, m-heh-heh  
Or that I.O.U.'n, Scoob and Scrap'n  
And anybody else dancin  
Only thing you can do off this, is, the "Mudd Foot"  
So c'mon, do the MUDD Foot  
Yo, I, see, you know I been here  
I been in this studio for about a month  
I'm tryin to teach Swan how to do the "Mudd Foot"  
I don't know what the heck he doin, he-heh-heh  
Marley can't even do it, yo  
I'm tryin to teach, Cool V how to the "Mudd Foot"  
He doin the "Butt Foot" I don't know what the heck he doin  
But, the way you gotta do the "Mudd Foot"  
You gotta just kick it, it gotta be like flowin y'know?  
It gotta be flowin!  
I know everybody from Uptown, by the Apollo, Uptown  
Way Uptown, the Bronx, Brooklyn, Queens, Manhattan, Staten Island  
Long Island! Everybody from out of state like Kansas City  
California, everywhere, I can't forget New Jersey, Newark y'know
