

## All I Know Pt. 2

Bizzle

I know the struggle is real (It don't last forever)  
Ain't nothing gonna change around here (Unless we stand together, stand together)  
What can we say, we counted on the call so bring on the obstacle  
We ain't stoppable so do what you gotta do  
Long as God is with us nothings impossible

Homie all I know we been dead too long but we ain't gonna stay though (yeah)  
And all I know that the struggle real but a brother still okay though  
And all I know is I done tried everything but God, but nothing took away the  
pain though  
And then all I know whole team covered in the blood, we don't need [?] thoug  
h  
And all I know everybody [?] we ain't even built like that (We ain't even bu  
ilt like that)  
And all I know is if your mind ain't right, when you give it to me right bac  
k broke  
And all I know seen alotta dark nights got me hoping for a better day  
And all I know I've been riding with the Lord but he's showing me a better w  
ay

I Know the struggle is real (It don't last forever)  
Ain't nothing gonna change around here (Unless we stand together, stand toge  
ther)  
What can we say, we counted on the call so bring on the obstacle  
We ain't stoppable so do what you gotta do  
Long as God is with us nothings impossible

Uh, I could freestyle this verse homeboy but I don't need the right one  
Never been the feelin, but my whole life boy she'll be treated like one  
If they gonna choose (Yeah)  
They gonna pick the white ones  
Asked the pastor how to get out of the hood cuz you living good, he said foc  
us on christ son  
Forget your american dream  
Barely american, and rarely do dream  
Cherished can leave  
Inherits as we  
Start from the bottom and never do leave  
You ain't on the Gospel family  
The play we never read like a high school spelling  
Taking more L's than a high school Spanish  
Than got more black babies, boy love your black neighbors  
I don't know

I Know the struggle is real (It don't last forever)  
Ain't nothing gonna change around here (Unless we stand together, stand toge  
ther)  
What can we say, we counted on the call so bring on the obstacle  
We ain't stoppable so do what you gotta do  
Long as God is with us nothings impossible

And all I know God [?] down from a lack of knowledge better learn some  
And all I know seems like the only time we unify is to burn some  
And all I know everybody hang what you don't bang but you curse em  
And all I know when this come on in the club get em jumpin like you heard so  
me

God over money my thing  
I hope it make you feel some type of way  
You put that dollar sign over your people they pay you to keep up and hating  
on vain  
All I know is I keep it a hunned no chains  
Won't slave me  
Not even with a hundred gold chains  
Note of fame  
Come and go, with eleven don't fake  
God over money you know what I say its all day

I know the struggle is real (It don't last forever)  
Ain't nothing gonna change around here (Unless we stand together, stand together)  
What can we say, we counted on the call so bring on the obstacle  
We ain't stoppable so do what you gotta do  
Long as God is with us nothings impossible

It's a space force oh  
It's a space for us right now  
Do you believe dark matter  
With people that we feeling like we dark matter  
Don't we get stopped  
Until we get robbed  
We'll tear up the block  
I'm not a problem  
Long as I stay as my side  
This is why I get on jesus, because he love the least of the leisure  
That what I'm betting on, not the least of the homie, [?]
