

Bless His Name

Bizzle

Yeah, Yeah
They don't want us praising the LORD
Hallelujah
They say you can rap about anything except for JESUS right?
But if I talk about GOD my record won't get played huh?
GOD over Money
Bizzle

Wooh! Buckle down, you done got rich enough from giving us what's killing us, we, shut it down
Give it up, yain't feeling us, yain't real enough, but, we here now, (here now)
And we ain't going nowhere, Oh yeah got the record labels so scared
Wow! If I was y'all I'd be petrified, Came in yelling GOD over Money, they can never buy it
I can show it, I can prove it if they ever try, if you sleeping on the team boy you hella tired
Martin Luther King had a dream and it never died
Homey we gon' be okay, we roll with Neo you see homey we don't play, HE the one
Don't sleep off it, HE told us to G-
O, so we go and we obey, (we obey)

Put your phones in the sky now
If you knew that I was down with THE ROCK would you roll with me? (Roll With me)
Or if you find out we love JESUS will you leave us? (They ain't all gon stay)
Either way, we okay 'cause we used to it now, (yeah)
You may not wanna stay for what we do right now, it's about to go down

We will bless HIS NAME, We will bless HIS NAME
We will bless HIS NAME, I don't know about you but I will, I will
We will bless HIS NAME, (We will, we will, we will)
We will bless HIS NAME, (Hallelujah)
We will bless HIS NAME

Man they hate to see us winning, if they ever catch us sinning they be quick to put the cam on us
It won't be my first time slipping or my last, I repented I'm forgiven so I dabb on 'em
We ain't perfect, we just dirt so we been dirty, we ain't worthy ooooh
HE is perfect, we HIS servants, we will worship, HE deserves it ooooh
I'm hot now I'm hot now, and if HE wants it HE can make it stop now
I can yell HIS NAME out loud and pray, every day but if I ignore the poor I'm I GOD'S child?
HIS love for me's really all that I need, Faith on high, pride on low, low, low, low
My SAVIOUR with me, ever leave us, forsake us, the answer is NO, NO, NO, NO

Put your phones in the sky now

If you knew that I was down with THE ROCK would you roll with me? (Would you roll with me?)

Or if you find out we love JESUS will you leave us? (They ain't all gonna stay)

Either way, we okay 'cause we used to it now

You may not wanna stay for what we do right now, it's about to go down

We will bless HIS NAME, We gon' bless HIS NAME

We will bless HIS NAME, We gon' bless HIS NAME

We will bless HIS NAME, We gon' bless HIS NAME

We will bless HIS NAME, (Hallelujah)

Anybody wanna do it? Anybody wanna bless HIS NAME?
