Regular People

Bizzle

"I gotta bunch of heaters with me"
"I'ma gunna killa, really"
"Ain't nobody mess with me" is what they...say
Until you look into their history and find out they a mystery
And half of these rappers actually be fake
And though I have my insecurities
I'm so secure with being me
That I don't have to prove it every...day
See, I'm too busy tryna better me
To let haters worry me
And that's on everything

And if you don't know
I guess you won't know until you taste and see
I know you've been waitin' for so long
So long for somebody in the game like me

And truth be told
A lot of this is make believe
It's time to let the truth be told
They give you what you pay to see
But, when the camera's off, they're just..
Regular people mayne
Regular people mayne
Regular people mayne
We all are just..
Regular people mayne
Regular people mayne
Regular people mayne

Uh. See, I'm a whole other breed'a cat
I paint a picture with the truth so you can see the facts
One song make you cry
The next will make you fingers snap
I balanced out the game and who but me believed they needed that
They sleepin' on the floor
I guess I'll be their sleepin' bag
All they want is junk food
And I refuse to feed 'em that
Got a couple rivals, but the Bible says take heed of that
So I'm prepared to have as many enemies as Jesus had
So I'm sendin' prayers up to Jesus' dad
That He uses me to find his lost sheep and bring 'em back
But, I am not a preacher man
So don't expect perfection, just expect the lesson. Yes

I know I'm speakin' on the positive
A lot of people knockin' it
But I ain't tryina please 'em any...way
Cause it's misleading to a lot of kids
When they believe in all of it
And we ain't tryina tell 'em that its fake
I know you see the way we goin'
It's a dead end and you know it
You can turn around or keep going straight
I know that we can make a difference
So, I'm keepin' on this mission

And thats on everything

And if you don't know
Then you won't know until you taste and see
I know you've been waitin' for so long
So long for somebody in the game like me
