Boy you know I'm from the dub
Play hard for the rock
Still God over green boy young Draymond to on the block
Came along way from the bottom
And I ain't far from the top
Raindrops on raindrops
I'm Klay Thompson with the shot
Don't matter where I go, I'ma rep for the team
Father Son Holy Ghost still rep like Steph for the three
Got 'em hatin' on your boy like OKC to KD
Tell 'em run 'em up we goin' turn the thunder up on 'em

Warriors for the Kingdom
Name a squad that can mess wit it
Tell 'em we too deep shooters coming off the bench wit it
Pick a startin' 5 let's get it
Make a fan out the next critic
Making jams so hard break a hand gotta go left wit it
Feeling like a brand new me
New Year we on a brand new wave
Really I ain't mad you hate
Say it to the brand new ring
Dynasty modern day
Won't lose not today
Had to go all the way
And again all the way

Them warriors came out to play
