

Your Way

Bizzle

Wake up in the mornin light
Still got the fire inside
Fight till my death out here darlin
Song in my heart get me hummin
It's why I praise him
Put my knees on the floor
Lord I want your way your way your way your way
I be prayin please let me know
Lord I want your way your way your way your way

(Yeah!)
(Aye) Feelin like a boss feeling like a boss (boss)
(Aye) Kneelin at the cross kneelin at the cross (cross)
Tell a hater I'm to on he can't take me off (take me off)
(Aye) Cause she ain't got the sauce
She ain't got the sauce (sauce)
(Aye) 100 miles an hour on the freeway (freeway)
Don't you look at me blame the DJ (it's was the DJ)
Cause G.O.M. is on G.O.M. is on (on)
(Aye) Do it for the church do it for the Lord (Yeah!)
(Aye) Jesus on my mind I promise I be trippin (I be trippin)
Trippin off that water Yahweh got me sippin (got me sippin)
Throw my crown to the ground cause the King is risen (yeah)
When it all falls down ow what got me lifted

Wake up in the mornin light
Still got the fire inside
Fight till my death out here darlin
Song in my heart get me hummin
It's why I praise him
Put my knees on the floor
Lord I want your way your way your way your way
I be prayin please let me know
Lord I want your way your way your way your way

Praise Him with my hands high even when I'm low
Just in case ya ask why Jesus saved my soul
Play me like a bagpipe said I wouldn't blow now
Jesus had my back I had nowhere to go

Be the light
I took a minute to see the light
He did it we didn't see it right
He would be there for me and my queen a'light
I could be up in the prison for bucking the system
I wanted to treat it light
Now I'm moving up in the middle of the dust
That we kickin up that we never had the bud for the love that I'm gettin
If I don't get love Imma still go hard (oh)
Gotta figure out who the real folk (oh)
Do it for the God that I live fo (ah)
G.O.M. what it hit fo (yeah)
H.O.G.M.O.B. (aye)
Never cat fights on the lowkey (aye)
Westside is neighborhood hope B
We so deep if you want peace let's do it

Wake up in the mornin light
Still got the fire inside
Fight till my death out here darlin
Song in my heart get me hummin
It's why I praise him
Put my knees on the floor
Lord I want your way your way your way your way
I be prayin please let me know
Lord I want your way your way your way your way
