Don't Be Dumb

Bizzy Bone

Don't be dumb Ignorance was bliss, and this is something that I won't miss, and this is.... Don't be dumb Ignorance was bliss, and this is something that I won't miss, and this is.... Don't be dumb Ignorance was bliss, and this is something that I won't miss, and this is.... Don't be dumb Ignorance was bliss, and this is something that I won't miss, and this is.... See, I went down and dirty and she liked the sucky sucky And liked it all in her tummy, and started askin for money It was over Off to another one, never leave my house without packin a gun Jumped in the Benzino, while Nikki was in L.A. smokin primo She said no one could make her cum, til she came met Gambino I aint need no introduction, im that Bone, Bone, Bone, Bone And I dont give a fuck what you got goin on I left Watts, gold Zenith tootin, while shootin my show Is that cocaine? Boo, you gotta go I miss her though Back on the ho stroll, drinkin and losin control Got back to Cleveland and hooked back up with Mo Mo Pretty young thugstress, who loved the thug shit And on the lo lo, I like that, even rolled the getaway 'Cause I aint that ordinary thug, go on all about that gun play Soon as she popped up with a baby, drivin me crazy Watched her push it out, cut the cord, little Christian, love you baby Don't be dumb Ignorance was bliss, and this is something that I won't miss, and this is.... Don't be dumb Ignorance was bliss, and this is something that I won't miss, and this is.... Don't be dumb Ignorance was bliss, and this is something that I won't miss, and this is.... So now we havin sex again, hittin some different levels The babys lookin Mexican, I look at you like the devil My sisters only using you, cause I never abused you So shes doin it for me, only if you knew, boo And plus, she fucked Layzie, was makin eyes with Krayzie And old Flesh had her first, but im that one that made it work You can kiss my ass, hear my laugh Hear me now and listen later Anyway, im still the playa On the real bitch, you hurt me, if that's any consolidation You was just another temptation, on to the next one Thats enough of her My belt is just the way I like it Dont bite it and you can get it when you want to

You love the way I ate that, your girl hated that But dont be dumb I guess its too late for that Don't be dumb Ignorance was bliss, and this is something that I won't miss, and this is.... Don't be dumb Ignorance was bliss, and this is something that I won't miss, and this is.... Don't be dumb Ignorance was bliss, and this is something that I won't miss, and this is.... I'm cummin! Tellin me you love little Bizzy, God dont like ugly, and he aint too fine or pretty, is he? Oh, and I seent you hangin with sissies, All that sinnin, women with , actin feminine But you said he a sho' thang, that'll make him a better friend But then again, how could I judge? But they still cant kick it with the thug Check all the glasses, and check the toilet seat for bugs As soon as you passed it, I was high enough I aint a facist, cause I dont like to kick it with faggots Do yo thang, and I hope that God helps you on your quest for thangs Rain, rain go away, come back another day I don't love them hos I don't love them hos And the moral of this story is don't love them hos If you searchin for somethin You searchin for a woman You searchin for a man But through your search You gonna come through a lot of obstacles A lot of twists, a lot of turns But you gotta be able to taste it to know what's sweet To know what's sour, to know what's good, to know what's bad But fuck all that get back to the chorus Don't be dumb Ignorance was bliss, and this is something that I won't miss, and this is.... Don't be dumb Ignorance was bliss, and this is something that I won't miss, and this is.... Don't be dumb Ignorance was bliss, and this is something that I won't miss, and this is.... Don't be dumb
